Hook	Children need to set up a School Value display using examples of how they can show the values and how we can learn from significant people in the past.	A collection of sea themed objects, books and real life sea items have been delivered to school with the instruction of creating a comfy story telling area.	We receive a request for a Parent Visitor Dome	Which country does this flag belong to ? Solve the puzzles to wok out which country we need to find out about.	Mixed up characters arrive in schoolwho are they?	Mysterious objects have been found. Can we use the pictures to help us?	Y2 have been awarded a treat for working hardit must be healthy and balanced!	Caterpillars have arrived in schoolhow can we look after them? What will happen?	
Learning Outcome	Values display for the children to refer to during their time in Y2	A storytelling event. And the official opening of our new reading area	A special opportunity for visitors to become an explorer in the Visitor Dome.	Full day plane journey from departure lounge to NZ so can take info for tourist board.	The children will share their tales and vehicles for Mr Wolf in our lovely library.	Life on board the Titanic parent take part in our history challenges	Presenting our healthy balanced snack for evaluation to Mrs McCarthy and then enjoying our hard work.	A caterpillar diary to share with our new teachers when we invite them to release our butterflies to their chosen habitat	
Home Learning	Activity in home work book about how they demonstrate school values at home.	Create a 3D seaside scene to help us tell our story	Create information posters.	Poster of own choosing from New Zealand.	Make a puppet.	Present a chosen job from the Titanic.	Create a recipe for a baked potato to make at home	Life cycle research of chosen animal.
