

ME IN YEAR 3!

Year 3

TERM: Autumn

Rationale/Hook:

Mrs Thwaites, Mrs Greenfield, Mrs Griffiths, Mrs Freeman, Mrs Beckhurst and Miss West are very keen to get to know their new classes better! We will be asking the children to think about their strengths, dreams and aspirations. We will also be thinking about how we can incorporate our school values into every day life.

Lead Subject: PDL

During the 'Me in Year 3' project, the children will be exploring their own identity and those of their peers. We will consider how we all belong to our new classes and new year group. Our similarities and differences will be celebrated!

We will be revisiting the Park Gate Way and the school values. The children will consider how these can feed in to our individual class charters that we will all sign.

Lead Subject: English

In English, we will be producing extended sentences to describe ourselves. We will also be making inferences about fictional characters and summarising key elements of internet safety to create posters.

Lead Subject: Art

We will be sculpting using clay to create our face. We will be learning how to join clay and use different equipment to create shapes and texture.

Applied Subject: Computing

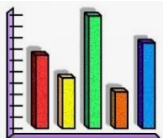

Children will be revising the basics of how to log in and how to save work in the correct place. They will also be revisiting the importance of internet safety and making posters to advise others on how to stay safe online.

School Values: All School Values

We will be looking at all the school values We want to encourage the children to do their best at all times and to aim high! We will discuss neat presentation, hard work and pushing themselves in order to fulfil their yearly and life goals!

Applied Subject: Maths

In statistics we will be creating pictograms and bar graphs using the children's own data such as eye colour, likes and dislikes. Using tally charts to collect class and year group data, we will learn more about each other and compare our similarities and differences.

Outcome:

We look forward to inviting parents and carers in to School to see our classrooms and work produced in this project.

Home learning:

Homework will be starting on Tuesday 12th Sept. More information to follow.

PE

Wednesdays Gymnastics
(inside) Friday invasion games

French

Phonics and basic vocabulary
